Courage to be Yourself

We embrace the 'FISH' Philosophy from Seattle

<p>We Play... Play is a mind-set that brings new energy to learning and sparks creative solutions.</p>	<p>We Make Their Day... Through acts of kindness or unforgettable engagement, you can turn even routine encounters into special memories.</p>	<p>We Choose Our Attitude... We have the power to choose our response to what life brings, and find opportunities that we may never have imagined.</p>	<p>We Are Present... We are true, mindful and whole hearted to ourselves and each other.</p>
