Remember please give 5 minutes either way.

### BUS PASS SYSTEM

Users will need to use a bus pass system. Each traveller will be issued each term with a bus pass, which will be attached to their school bag and will have to be shown to the bus driver each time they catch the bus. We are working on the best way to attach these to your childrens bags, any feedback is welcomed. No pass, no ride, no exceptions.

### PAYMENTS

Bus payments to the school will remain unchanged, you will receive an invoice for your \$270 for Term 2 and you can pay the school like you usually would.
