

Te Mata School Newsletter

NEWSLETTER #16 - Week 7, TERM 2 2018

Kia ora te whanau,

I returned from a meeting on Friday afternoon to such an amazing scene on the field! Thank you so much Michelle and Stephen O'Byrne; bringing your horses Cash and Sunny to school for Passion Learning was a huge hit!

Thank you all for booking your times for Student Led Conferences, an updated schedule is also part of this newsletter. Our conferences will look slightly different this year. Instead of being in a bound booklet, they will be displayed in a clearfile. Your child will receive one clearfile for the year. That means that the clearfile needs to remain at school after your Student Led Conference as teachers will continue to add to it throughout the rest of the year.

At the end of this year it will be yours to keep. You may want to take the clearfile home next week to have a look through again, which is totally fine. Please return it to school by the end of this term.

Mrs Trina Regnier

THIS WEEK'S TOP NEWS

Year 3 students We are excited to announce that Mrs Maureen Collins has been appointed for Terms three and four to teach our Year 3 students out of Kahawai, as class Kaataha. This will be a class of 15 children. The Year 2 students currently in Kahawai will be remaining with Miss Annie Stuart. All parents/guardians of these children were individually informed in a letter earlier this term. We are all excited to welcome Maureen back into the classroom again!

					Casabella Smith

Fish Art We are working on completing our fish to be displayed on the roadside fence outside school. We recommend that children don't wear good clothing or have a change in their bags for the remainder of the term. We look forward to displaying these works of art once completed. The kids are enjoying working on this project.

Principals Morning Tea Come and join Fiona for morning tea in the staffroom on Thursday 28th June at 9.30am. All welcome.

Oxford Pies We hear that lots of you are busy selling Oxford Pies out there, the more we sell the more we fundraise for the school so we can do up our Dental Clinic into a new learning space. Don't forget there is a prize up for grabs for the 2 people that sell the most pies.

Raglan Taxi Bus User Group are having the 2nd meeting to move forward on the organisation of the bus service for 2019. Agreed steps from last meeting to be discussed are:

- forming an entity and assigning a committee
- review a draft tender document and give feedback
- Fundraising opportunities
- Further information on the long term option of a green bus

Next meeting will be **June 15th at 3.30pm** at the Raglan Community House, Bow Street, this meeting will be available via teleconference. Please let me know if you wish to attend by teleconference Kristy.Darbyshire@gmail.com or 021 810 949.

P.T.A Call out

When: Saturday 14th July (middle Saturday of the school holidays)

Where: Te Mata School 12-2pm

Who: Hamilton Car Club (open top vintage cars)

What: Lunch for 60 people

How: **Provide** and **serve** lunch for drivers at our school

We are offering lunch and a sweet treat to the drivers. They will be driving in open top cars from Auckland so will be hungry for a simple hot lunch such as soup or bacon egg pie and a sweet treat for afterwards.

If you are able to help could you please email me, jacquic@temataraglan.school.nz or just let Celeste know at the front desk. We are looking for cooks to help with:

- Soup - both meat and vegetarian
- Cakes - (we have 2 gluten and dairy free contenders)
- Pie (any pie that doesn't require a knife and fork such as bacon and egg).

Thank you so much for all your continued support! We are truly grateful.

School-gen (Genesis Energy) On

Friday 8th June Mango and Haku were lucky to have a visit from Jess and Louisa from School-gen. They came to talk to us about renewable energy and how we can play our part to combat global warming. They showed us their 'human generator' which helped us see the difference in the amount of energy needed to make conventional light bulbs work as opposed to energy efficient light bulbs. We were able to dazzle them both with our knowledge of renewable and nonrenewable energy, yet we learned so much too. Did you know that cows burps have more methane in them than their farts!?

Thank you, Jess and Louisa, for your time, sharing your knowledge and thank you for our free goodies - crunchie bars, special sun watching glasses and a new t-shirt each. Lucky us!

Important Upcoming Dates
